Featured Article: What is Power BI?

Power BI is a business intelligence analytics service that enables you to connect to your data wherever it happens to reside, and create reports with compelling and interactive visuals that you can share with others.

Success Story

"The reports compiled by the BI Team have been a great success in reporting statistical data for the Accounts Payable Division. The division is able to set realistic goals and share the progress of the staff with management. Accounts Payable is again grateful and appreciate your hard work." - **MaLisa Harris, Chief Accountant, Finance**
