November 25, 2014

Under Act 1197 of the Alabama Legislature (1973), the Treasurer of Jefferson County is charged with the responsibility of gathering and publishing comparable data relating to the revenues and expenditures of local units of government.

The fiscal year 2013 will be the thirty-eighth year under the provisions of this Act that the Treasurer has had this responsibility for the publication as presented herewith.

The financial data, as presented, reflects changes adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements-Management's Discussion and Analysis for State and Local Governments (GASB 34). GASB requires the new format, which is a significant change in the way governmental entities present financial information.

The information contained in this 2014 Act 1197 report is invaluable for statistical, historical and research purposes. We are grateful to the staff of each town, city, municipality and agency within Jefferson County who contributed data for the report. Without your participation, this project would not have been possible. A special note of thanks is given to the personnel of the Jefferson County Treasurer's office who assisted with the compilation of this data.

Yours Truly,

Michael D. Miles

Jefferson County Treasurer
