

Limited Obligation School Tax Litigation Update

On August 30, 2006 the plaintiffs requested that the Court reconsider and withdraw its opinion dated August 16, 2006.

The application for a rehearing requested the Court to not only reconsider its opinion of August 16, 2006 but to issue a new decision that comports with long standing principles of Alabama law.

The County is expected to file an immediate response and is expected to prevail in light of the decision on August 16, 2006.
