CONTACT DAWN COLEMAN LEE 205-414-3958
DCOLEMAN@BBGARDENS.ORG

Construct your own 'ready to install' 55 gallon barrel with assistance from presenters and helpers, or just come learn how to make your own at home. There are 40 barrels available with a limit of 2 barrels per registrant. Any remaining barrels will be for sale following the class on a first come - first served basis. Barrels come with detachable lids.

Please choose from 1 of the following. Instructions provided for all options:

- | | |
|--------------------------------------------------------------------------------------------------------|---------|
| #1: Class (no barrel) | \$ 5.00 |
| #2: Class + 'as is barrel' (no holes, no parts, no insect screen) | \$35.00 |
| #3: Class + 'ready to install barrel' (complete with attached faucet, removable lid and insect screen) | \$65.00 |
